**Tuesday, Oct. 2 Chapter Meeting – Spellman Museum of Forney History**

Founded in 2001, the Spellman Museum focuses on ‘the history of Forney and the surrounding area from pre-history to post-WWII. Originally on the 2nd floor of the City Hall building, the museum is home to a number of artifacts and photographs that reflect the history of Forney, TX. Topics include Native Americans, wildlife, early settlers, the agricultural industry, the Great Depression, and more. We renovated two downtown historic buildings, 200 and 202 S. Bois d’Arc Street, to house the collection and new exhibits plus provide additional space to host meetings and events.’

**Please pass this on to anyone that might be interested in this field trip.**

**Directions** - From Dallas, take US-80 east to the Broad Street/FM688 exit. Turn right on S. Bois d’Arc which is the second light. The Spellman Museum is a red brick building on the right side at the corner of S. Bois d’Arc and Main Street (one block past the railroad tracks). Address is 200 S. Bois d’Arc.

**Parking** - When coming from the north (Broad St), turn right on Front St. to park behind the block of buildings or along W. Main St. You can also turn left on Front St. and park behind City Hall. When coming from the south, parking is available in the Forney Academic Center parking lot and adjacent Sub-Courthouse parking lots at Elm. Parking is also available on E. Main St., but pedestrians are encouraged to cross at either the Front or Trinity/Elm street intersections as Bois d’Arc is an active construction site and impassable at times. Sorry for the inconvenience. Please call the museum at 972-552-2400 if you have questions about how to get here or where to park.

### **Reminder : 2018 / 2019 Changes in Officers' Responsibilities**

In preparation for the 2019 election, a few responsibilities of the chapter's officers have been re-assigned. Jim King has been a loyal treasurer for 10 years, but is not running for re-election. The Chapter thanks him for his loyal, helpful, and skilled service. Bob Kennedy has graciously agreed (with lots of poking, prodding, and encouragement) to run for Treasurer in the January chapter election. By then, Jim will transition the chapter treasury records and process to Bob. In a similar change for 2019, Jerry Nunn agreed to handle the membership process and files. Jim will introduce Jerry to the membership process and records. Also, Skip Waters now checks and manages the chapter's post office mailbox. The Chapter appreciates these loyal members for stepping up to these new responsibilities, and thanks those who are willing to run for office in 2019.

The meeting was held on Tuesday, August 7, 2018 at the SOKOL Hall in Dallas, TX.

**President Wayne Smith** called the meeting to order at 7:40 PM. On a follow-up from his recent visit to Albuquerque, Wayne reported that the Santa Fe steam locomotive 2926 has now been steamed up.

It will once again take place at the Taco Joint, 100 S Central Expy, Richardson, TX 75080. The show will begin at 6:00 PM. Bob Kennedy and Jerry Nunn will kick off the show until Skip's arrival. **VP Jon Shea** reminded everyone that the October Chapter meeting will take place on October 2 at the Spellman Museum in Forney, TX.

The **November meeting will be the Chapter auction**, and will likely take place in Sokol Hall. Since the normal date of the meeting (November 6) is also election day, a decision was made to postpone the meeting until **November 13**.

Transportation to remote events are expected to require only one or two buses. The cost estimates have been passed on to the Board.

The latest block of hotel rooms for NRHS Salt Lake City Convention has been sold out. The NRHS has asked for another block of rooms to be reserved. Those who call regarding hotel reservations should tell the hotel that they are with the NRHS. For additional details, access the National NRHS website.
